

HT208 SERIES

HT208A/HT208D AC DC Clamp Meter

- 1000A Current
- 6000 Counts
- VFD In-Rush
- LowZ Range

| to prevent Error reading cause by false voltage
| HD Color Screen Display / Dual Display for Voltage & Frequency
| NCV/LIVE Line detection

Products Details

HT118 SERIES

High precision digital multimeter

- TRUE RMS
- 6000 Counts
- LCD Warning
- LED Prompt

| High Voltage Orange Color Backlight Indicator
| Input Jack LED Indicator
| Overload Protection

Detail Information

Product Description

Detail Information

Place Of Origin:	Guangdong,China	Certification:	CE,FCC,RoHS
Document:	HT118E-User Manual-V03-2023...17.Pdf	Is Smart Device:	Yes
Operating Mode:	Manual Control	Measuring Capacitance Range:	Measuring Capacitance Range
Operating Temperature:	0 - 40 °C	Measuring Resistance Range:	200 Ohm/2k Ohm/20k Ohm/200k Ohm/2M Ohm/20M Ohm/100M Ohm
Display:	LCD Double Color Backlight	Battery:	2*1.5V AAA(NOT INCLUDED)
Frequency:	200Hz/2kHz/20kHz/200kHz/2MHz/10MHz		
Highlight:	Transistor Tester Digital Multimeter, 20000 Counts Digital Multimeter, NCV Digital Multimeter		

Product Description

HT118E Digital Multimeter 20000 Counts True Rms NCV HZ Multimeters Transistor Tester Voltmetro Capacitance Meter

Features:

- 【Upgrade range four and a half readings】: 20000 display digits, higher precision, more accurate measurement to meet more measurement needs.
- 【LED indicator input jack】: Power switch function, corresponding to the jack indicator,Flash represents the corresponding jack.
- 【New upgrade chip】: New upgraded chip, accurate measurement.
- 【Double ceramic fuse】: Its built-in double ceramic fuse, better protect the circuit board to prevent burning machine, so that people use more secure.
- 【HD LCD backlight screen】: High definition LCD screen, suitable for working in different environments.
- 【Pen storage slot】: It comes with a pen storage slot, when people are not working to shrink the pen, easy to operate.
- 【LED flashlight lighting】: Provide lighting in dark environments.
- 【Rubber protective sleeve】: It wears a protective rubber case to prevent the multimeter from breaking.

Measurement functions:

- Voltage measurement
- Current measurement
- Resistance measurement
- Continuity
- Frequency measurement
- Capacitance measurement

- Measurement by diode
- NCV
- Live test
- Temperature measurement
- Keeping data
- True RMS

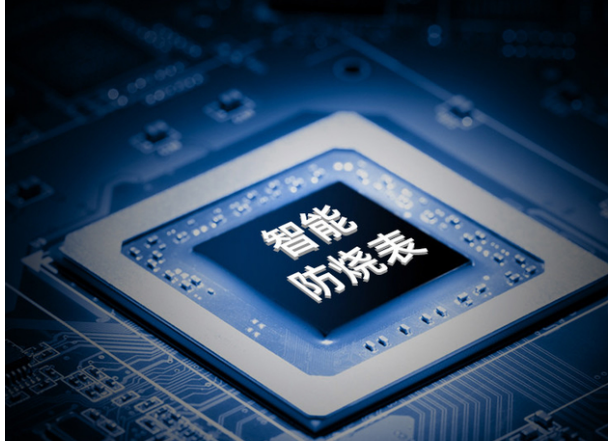

Package list:

- 1* User Manual
- 1* HT118E Digital Multimeter
- 1* K Type Thermocouple
- 1* Test Lead

New upgrade chip

New upgraded chip, accurate measurement

HD LCD backlight screen

High definition LCD screen, suitable for working in different environments

LED indicator input jack

Power switch function, corresponding to the jack indicator
Flash represents the corresponding jack

Double ceramic fuse

Its built-in double ceramic fuse, better protect the circuit
board to prevent burning machine, so that people use
more secure

Our Services

- * Inquiry and consulting support * 12 months warranty
- * Online presentation if necessary * Spare parts delivery
- * Company & Factory Visit (Site or Online) * New product exchange
- * Free Samples (Shipping Cost Excluded) (Term & Conditions Apply)

Company Information

Dongguan Habotest Instrument Technology Co.,Ltd is an innovation orientied technology enterprise with an over 20 years R&D team, injection molding, professional production line and assembly capabilities.

We offering professional and innovative measuring products as Digital Mltimeter, Digital Clamp Meter, Earth Resistane tester, Insulation Tester, Enviromental detector and other testing instrumnts for the worldwide customers to meet the global market demand, we also provide electronic test tools, measurement solutions and ODM and OEM services to specific customers.

Habotest now has over hundred various patents and set an independent innovation goal of reaching more than 100 authorized patents each year. After 20 years industry experience in research and development, Habotest standardized its management and quality systems, obtaining ISO9001-2008 and ISO/TS16949, CE, IEC safety standards and introducing financial ERP systems.

For providing qualified products and superior service to all customers, we have been always producing products which meet the industry standards, and creating unique innovative solutions in high-growth fields. Habotest is currently developing test meters and instruments in an industry park nearly 5000 square meter facility. With this new facility, Habotest is capable to fully supply product demands from all customers across the world.

Now our Daily Production is over 10,000 pcs, We are one of the pioneer domestic enterprises who sucessfully in Research, Development and production. Our products is widely used in the field from industrial electronic installation, maintenance service to DIY and daily household needs.
